VIDEO MESSAGE OF HIS HOLINESS POPE FRANCIS TO A GROUP OF MISSIONARIES IN ARGENTINA

[Multimedia]

I wish to greet the group of missionaries, young people and adults in total, who went on missions among the indigenous peoples of Salta, Victoria Este, in the diocese of Orán. And the motto of the mission is “Dreams are built together”.

Thank you for what you have done, thank you for this work. Keep going.

Because “to mission” is to go out of yourselves to give the best of yourselves and the best of what God gives, and this is a very beautiful thing.

Greetings to Father Mariano, who is accompanying you in this. And pray for me, I will pray for you too. So, go back to your missionary work. God bless you.
